FWSA 2007 Convention in Santa Clara was another big success. The convention was held in the Hyatt Regency Convention Center. Of course as customary the weekend started with the Pub Crawl.

Left to right are Janice Brown, Debbie Stewart and Woody Hogan. The Pub Crawl gave us the opportunity to see the quaint downtown area of San Jose.

After the Pub Crawl it was dinner then to bed. The next day we would get down to business. Special

guest speakers at the convention included Percy Rideout of the Famed 10th Mountain Division WWII. Olympian & X Game Gold medalist Reggie Crist talked about there lives on skis and author of "The Boys of Winter" Charles Sanders talked about the story of the 10th Mountain Division and their fight against the Germans on skis in WWII. Also present was John Knudsen, 2006 Torino Italy Giant Slalom US representative for Disabled Athletes.

Yeah! We have our own website. We will be using it to keep every one informed and up to date. Pages include: Travel, Photos, Membership, Newsletter, Contact info, Bylaws, History and more. Check it out.
